

## SOLID WASTE DISPOSAL (SOUTH LEBANON)

New garbage truck for solid waste disposal purchased with project funds.

New garbage truck in action. Project funds also covered the cost of new disposal bins and the repair of existing bins (fitting with new wheels, metal sleeves for hydraulic arms on truck, etc.)

Front of the new truck with credit to Humanserve.

(L to R) Nathan Deisman (Humanserve volunteer), truck driver and waste disposal workers, Abu Nadil (PARD field operations officer)
